

BABY BALLET PRAGUE

The company of the Dance Center Prague - Conservatoire

REPERTORY

The full-length evening programme is composed of 20 dance etudes and one-act choreographic pieces from the main repertory with 1 interval (the length of the evening is 90-120 minutes). It is possible to consult the dramaturgy of the programme (themes, choreographers, style) with the management of the company according to the focus on the event, festival etc.

PRODUCTION CONDITIONS

It is possible to combine the tour with performances for schools "How to Create a Dancer" (see special promotion materials) in

one-day cycle: 9 am + 11 am + 7 pm or a two-day cycle: 7 pm + 9 am + 11am.

The need of accommodation depends on the distance of the theatre from Prague. Before a school performance we need to have a technical rehearsal on the stage (2 hours at least) and before the evening performance at least 5 hours of rehearsal.

The organizer pays for:

- transport of the performers and properties from Prague to the place of performance and back
- accommodation of 18 persons in a hotel (4 single rooms + 7 twin rooms) with standard equipment and breakfast
- fees according to individual conditions of the event - character of the performance, the organizer's status, the hall capacity, number of performances, demanding ness of technical conditions etc.
- royalties according to the selected repertory

TECHNICAL CONDITIONS

- stage: min. 8x8 sq m, back drop, wings covered in dull black fabric, dimly lit free passageway behind the stage
