

# ***BALLET PRAGUE JUNIOR***

***The company of the Dance Center Prague***

***- Conservatoire (non-profit organisation)***

## **REPERTORY**

The full-length evening programme is composed of 4 - 6 one-act choreographic pieces from the main repertory + premieres with 1 interval (the length of the evening is 90-110 minutes). It is possible to consult the dramaturgy of the programme (themes, choreographers, style) with the management of the company according to the focus on the event, festival etc.

## **PRODUCTION CONDITIONS**

It is possible to combine the tour with performances for schools "How to create a dancer" (see special promotion materials) in

**one-day cycle: 9 am + 11 am + 7 pm or two-day cycle: 7 pm + 9 am + 11am.**

The need of accommodation depends on the distance of the theatre from Prague. Before a school performance we need to have a technical rehearsal on the stage (2 hours at least) and before the evening performance at least 5 hours of rehearsal.

The organizer pays for:

- transport of the performers and properties from Prague to the place of performance and back
- accommodation of 18 persons in a hotel (4 single rooms + 7 twin rooms) with standard equipment and breakfast
- fees according to individual conditions of the event - character of the performance, the organizer's status, the hall capacity, number of performances, demanding ness of technical conditions etc.
- royalties according to the selected repertory

## **TECHNICAL CONDITIONS**

- stage: 8x8 sq m, back drop, wings covered in dull black fabric, dimly lit free passageway behind the stage
- floor: clean, flat surface + dark ballet matting, eggshell (can be provided if asked)
- light equipment and a light technician - necessary to contact the production and send us the stage and light plan + information about the light technician's room and light regulation
- sound equipment and a sound technician- CD and MD player (can be provided if asked)
- telephonic connection: stage manager + light technician's room + sound technician's room, microphone on the stage
- dressing rooms for performers (1 leader + 8 female dancers + 6 male dancers + 3 technicians) - dressing tables
